Hiring Manager
DROPBOX
San Francisco
California

Dear Hiring Manager,

When i discovered the software engineering internship at DROPBOX, I was excited by the opportunity to develop test cases, open bug reports, and triage test case failures. As a sophomore majoring in Computer Science at Maharaja Surajmal institute of technology, India, I enjoy developing and improving testing technologies. My coursework and campus involvement have prepared me well for this position.

I attend Tech Talks and attend various Hackathons to expand my knowledge, skills and network with full-time professionals .

I have experience with Python, Django, c , c++,Neo4j,SQL alongside i have also started venturing into AI in recent times . This Knowledge will be an asset to this position. I would be thrilled to learn more alongside your cross-functional team of engineers and developers.

My enclosed resume expands on my Achievements, Skills and Projects. As I prepare for a career in computer science, I'm dedicated to gaining practical experience to compliment my coursework . Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

Vishrut Kohli
